iMin S1
Self-ordering Kiosk

- Thoughtful modular design which makes product assembly easy and efficient, including a VESA standard bracket interface for easy installation

- 1080P Ultra-HD display presents your products vibrantly on a crystal-clear screen, enhancing the customer experience

- Add-on height bracket ergonomically designed for heights ranging from 150cm to 195cm

- Supports NFC payment, scanning, and receipt printing

iMin´s S1 self-order POS is an intelligent business solution which frees your staff to attend to more pressing matters. It is an easy and efficient way to optimise the check-out experience for your customers. Suitable for any business which has a self-service option.
