

HCT BS-B3 BARCODE SCANNER

RELIABLE VALUE SCANNING

- Great value barcode scanner
- USB Interface
- Plug and Play
- Suitable for PC and Mac
- Includes stand

The BS-B3 from HCT is ideal for a range of barcode scanning applications and is capable of decoding all common symbologies. It features a visible laser diode and an ergonomic pistol design for maximum ease of use.

USB powered, the BS-B3 connects quickly and easily to PC's and Macs. It is designed to withstand the rough and tumble of daily use and comes with a stand for hands-free operation. This stand can be easily repositioned for optimal comfort.

The BS-B3 can be set to continuously scan or to activate at the push of its trigger. It will automatically scan the first readable barcode placed in front of it. All common barcode types are supported, including EAN, UPC and Code 39.

SPECIFICATIONS

Light Source: 650nm Visible Laser diode

CPU: 32 Bit Arm High Speed CPU

Scan Rate: 200 scan /second

Trigger Mode: Handheld, continuous, auto sense

Scan angle: Rotor angle $\pm 30^\circ$, Inclination angle $\pm 45^\circ$,

Elevation angle $\pm 60^\circ$

Depth of field: 10mm - 1500mm (depending on resolution of barcode)

Decode Capability: UPC/EAN, UPC/EAN with supplemental, Codabar, UCC/EAN128, Code39, Code39 Full ASCII, Code93, MSI, industrial/Intel Leaved 2 of 5, Code11, ISBN, ISSN

Drop resistance capability: 1.5m fall to concrete

Laser lifespan: 10000 hours

Dimensions: 15.6 x 6.7 x 8.9mm

Weight: 130g

Related Regulations: CE, FCC, ClassI, CDRH CLASSI
